Useful information

Category : Accommodation

Type of use : Rental housing

Description

In a renovated 18th century castle, Mr. and Mrs. EHRET offer you 2 guest rooms and 2 suites.

The wardrobe of each room has been transformed into a private bathroom and toilet. The 2 suites have separate toilets from the bathroom. The largest suite (48 m²) has a boudoir transformed into a children's room. In the second suite, an extra bed can be installed.

These two suites have kept their woodwork and their period alcove. They are also furnished with antique furniture, except for the beds.
