Description

The Bois-Guilbert Equestrian Farm has no less than 200 ponies and Icelandic horses! In a 100 hectare green setting with woods, crops and meadows, and at the foot of hiking trails, our team offers nature rides, horse riding lessons, courses, school field trips and summer camps for children aged 5 to 13 with group accommodation on site that can sleep 70 people.

An educational farm, the equestrian farm can welcome up to two groups and organises visits on: pony breeding, the farm, tour of the meadows, the birth of trees, pony riding activities (introduction to arena riding and rides in the forest), horse-drawn carriage rides in the village, show jumping, farm animals: sheep, rabbits, geese, hens.
